TOWN MEETING HIGHLIGHTS

Mattapoisett taxpayers attempted to retain some control of school affairs at the latest Town meeting. A motion to reconsider the school budget was approved to start off the second session. It was pointed out from the floor that the Old Rochester School budget contained some estimed $10,000 which had been placed there in anticipation of meeting school teachers' demands for higher salaries.

It was stated that this was a rather poor way to enter into a salary bargaining session and, in effect, said here is a 10% increase, want to try for more. The salaries will not be negotiated until later in the year. The taxpayers who spoke for the reconsideration wanted to withold the $10,000 extra from the budget. Then, after the bargaining had established the teachers' salaries, to hold a Special Town Meeting to vote the money needed. It was felt that this would be a more businesslike approach. Mr. Jarvis Stratton, who had done the research on the school budget, which uncovered this extra fund, asked the town counsel, Leonard E. Perry, if the townspeople had the right over the Old Rochester Regional School Committee to ratify school salaries. Attorney Perry said no. He stated that the school committee can bind a town which is some-

thing no other town department can do.

He said that the $10,000 could be withheld as the the townspeople proposed but that, in that case, the town could be taken to court by the School Committee and if the court decided against the town that it would restore the $10,000 plus 1/4 more so that it might cost Mattapoisett $12,500 to take the step. Following this statement it was voted to approve the original budget.

The Conservation Commission asked to be placed under State law. Bradford Hathaway convinced the voters to change the present set-up by which the Commission is appointed by the Selectmen and are under the direct control of the townspeople at the Town Meeting. He said that(under State law and jurisdiction) the Commission would have a more powerful voice in case the Commission had to speak to the State. For this year, the Commission did not aks for a Conservation Commission Fund. The vote was 113 yes to 15 no.

000 range. The present building on Church Street has been apprasied for $10,000. The committee asked for money to prepare drawings and plans so that a definite cost could be determined from bids. It was approved.

Two tries were attempted to have the old railroad bed accepted as a public way. The measure required a 2/3 vote. It was pointed out during the discussion on this measure that the town would be required to maintain the old bed in a passable condition for automobiles if the bed were made a public way.

A water main to be laid on Brandt Island Road was disapproved after Water Commissioner Winfield Jenney pointed out that the nearest connecting main was half a mile away. He said that, if the pipe were laid, there would be no water.

The fireworks display for July 4th was turned down at it was last year at the regular town meeting. It was later passed at the Special Town Meeting.

A total town budget of $1,237,807.36 was voted. This is $100 more than recommended by the Finance Committee.

Marion Art Center

EXHIBIT OF PAINTINGS.

On Wednesday, April 10th, the Cecil Clark Davis Gallery at the Marion Art Center welcomes back the paintings of Lilo Peters. Miss Peters passed through Marion this fall and had a short but very popular showing of her work. After a tour of the United States, she has returned to Marion, and area residents are fortunate to have a more leisurely look at these wonderful renderings of Scandinavian scenes. The members of the Art Center will celebrate the opening with a cocktail party on Wednesday from 5 to 7.

Lilo Peter's is from Germany and has had several one-man shows there (Hamburg, 1958 and 1962). She has also exhibited in Sweden and Iceland where the dramatic scenery inspired many of her canvases.

All her oils, watercolors and graphics appear as one work. Strong contours create simplified forms which are bound in heavier colors in the oils and in lighter, more delicate colors in the aquarelles. Her art is genuinely original.

The show will run through May 1st. The public is invited during the gallery hours: 12 to 4:00 P.M. Tuesday through Saturday.

The Art Center has also recently acquired a fine collection of etchings which are for

history, will present a dramatization of the Jewish Passover this Thursday, April 11th, at 7:30 P.M. Pictured above (left) is Robert St. Aubin, a teacher in the New Bedford School system, who will portray Peter. The Rev. Edward F. White (right), pastor of the church, has done intensive research and is directing the project. He will also be the narrator for the unusual presentation. The two men are studying the famous Leonardo da Vinci's painting of "The Lord's Supper" which they will reveal as being quite inaccurate in many details.

The Thursday evening presentation will present many little-known features such as the probability that the first Lord's Supper was eaten from a table in the shape of a horseshoe of "U" and that it was only 12 inches high with the disciples and Jesus reclining on cushions.

Other men portraying disciples are: George Lawrence, Victor St. Aubin, Greenwood Hartley, 3rd, Joseph Thompson, Louis Lauterbach, Harry Brown, Greenwood Hartley, Jr., William Warburton, Leo Lizotte, Louis Ouellette and Alfred Maccarone.

Hoyle Demoranville and Ernest Davol are in charge of lighting and stage props. The Youth Choir will present special music under the direction of Mrs. William Warburton and Mrs. Edgar Martin, Jr. The public is invited. A free-will offering will be taken in place of a paid admission.

Miss Wareham Pageant

By chance, does Miss America 1968 live in your town? That's a question being asked neighboring towns by the Wareham Chamber of Commerce today in anticipation of their annual Miss Wareham Scholarship Pageant planned for Saturday, May 11th. The Miss Wareham Pageant, according to an announcement for the sponsoring group, is open this year to residents of surrounding town including Mattapoisett, Marion, Carver, Middleboro, Plymouth and the host town of Wareham.

Who is eligible? It might be your sister, cousin, girl friend, or neighbor. If she is single, between the ages of 18 and 28 and

possesses charm, poise and talent, all you need do is submit the young lady's name to Executive Pageant Director, Rita L. Blair, who will in turn contact your recommendation.

Let's take a look at the current reigning Miss Wareham 1967. She is Kathy Schaaf of Mattapoisett who has represented the area with all the excitement and charm any young lady could possess. She is a very talented Miss Wareham with a beautiful singing voice, which thanks to her present reign, has been heard in many places this past year.

Prior to winning Miss Wareham title, Miss Schaaf was active in many circles, which was of great importance in her climb to her present position. Junior Choir director of the First Congregational Church in Wareham, she has continued this post despite her time-consuming Queen duties this year. Also, piano lessons and necessary appearances required of talent queens have consumed much time.

Notwithstanding these details, Kathy has attended many other local pageants with future contestants. There, she made appearances while continuing to give needed advice to those entering the current Miss Wareham Pageant.

The merchants and sponsors of the Miss Wareham Pageant do not only aid in assuring each girl of fun and excitement in this annual event. They also assure many awards

through their generous gifts and scholarships, so important to the future of any talented miss. As in past years of the Pageant, as sponsored by the Wareham Chamber of Commerce, each girl is the recipient of many lovely gifts which they usually carry when first introduced the night of the Pageant. Again this year, the first three winners will receive scholarships to further their education or career through the Miss Wareham Scholarship Fund. Also presented will be the Miss Congeniality Award and a scholarship to the most talented non-finalist.

Last year's award winner, Miss Roberta Coggeshall, a talent artist, is returning to assist in the staging and art work of the 1968 Pageant. She has kept active as a member of the Marion Art Center where she has had several opportunities to further her artistic abilities.

Heath, president; Joseph Sullivan, treasurer; Irene Tuttle, secretary; Beryl Sullivan, membership chairman; and Jane Lees, publicity chairman.

Members think it is important at this time to clear up a misunderstanding that exists concerning the Boosters' Club scholarship. It is not only open to boys who have played varsity football. It is open to any boy or girl who has played any varsity sport. It is in this manner that the committee, appointed by the president, decides on the candidate. Usually the committee is comprised of one person from each of the three towns. This year because the only members from Marion has a daughter in the senior class, there will be two from Mattapoisett. The committee is: John Pagenkopf and Duane Tuttle, Mattapoisett; and Mrs. Ernest Davoll, Rochester.

DONKEY BALL AT ORRHS

Donkey Ball, the world's craziest sport comes to Old Rochester Regional High School on April 13th. This ball game played from the backs of trained donkeys is reputed to be wilder than a Rodeo and funnier than a Circus.

For the game the seniors have obtained the services of the nationally known Buckeye Donkey Ball Company, Columbus, Ohio.

All local riders will be used for the exhibition and the local boys have gone into serious training for the big event. The Senior Class and Athletic Club, who will compete, have announced that their players are on a strict diet of Mothers Oats and raw carrots.

Senior girls and boys will be opposed by the faculty. Playing for the faculty will be Mr. Walsh, Mr. Hagen, Mr. Taylor, Mr. Normand, Mr. Hubbard, Mr. Mitchell, Mr. Lizotte, Mr. Carvalho, Mr. Almeida, Miss Martin, Miss Gardner, Mr. Gavin, Mr. Mendes, Mrs. Hubbard, Mr. Gonsalves

BEATING THE BUGS

Because mosquitoes are not only a nuisance, but also can carry disease, American homes and businesses use well over 500 million square feet of wire screening each year. In choosing your screening, according to the Gromley & Larsen Screening Company, look not only for material and price, but also for quality construction and uniformity. There are differences in screening quality, and local hardware dealers will be happy to explain what they are.

Rochester Mothers' Club

MOTHERS' CLUB MEETING

The Rochester Mothers' Club met at the Fire Station March 25th. Due to a special P.T.A. meeting the meeting was held at 9:00 P.M. with Mrs. Evelyn Benner presiding.

A banquet date was set for Saturday, May 18th. Further arrangements will be made later.

Scholarship forms will be available at Old Rochester Regional High School office and at the Rochester Town Hall beginning April 6th through April 30th.

The annual Easter Egg hunt will be held at the Rochester Memorial School April 13th at 10:00 A.M. Mrs. Julian Wiegal will be in charge.

A decision was made to pick the subject matter of books to be donated to the library, the number of books to be purchased and the amount to be spent and will be voted on at the next meeting regardless of how many members are present.

The next meeting will be held on April 15th at 8:00 P.M. Mrs. Evelyn Benner will be hostess.

LETTER TO THE EDITOR

At the last town meeting, we were gratified by the amount of interest expressed concerning the operation and budgeting of the Old Rochester Regional High School. We realize that many people had questions, and that many people would like to know more of what is happening at Old Rochester.

Quality education must, of necessity, depend on the ready acceptance and willingness of the members of the community to support their educational program. The only way in which this ready acceptance and willingness can become possible is through a thorough understanding of the goals, programs and problems of their school system.

To further this goal of understanding, we would like to invite any citizen of Mattapoisett to be present at the Old Rochester Regional High School at 8:00 on Thursday evening, April 11th. At that time the Mattapoisett representatives of the Regional School Committee will be present to discuss, in informal session, whatever you would like to have explained. If you have any questions at all about your high school, we urge you to attend.

CLASSIC CASSEROLE AMERICANA

Make your favorite casseroles even better by pouring in a little dark corn syrup. It blends the flavors of macaroni, meat, baked and barbecued bean dishes; when tomatoes are included the results are sensational. Pick up the flavor of a sausage or frank and rice or noodle casserole. Have you made corn pudding recently? Seasoned and flavor-blended with dark corn syrup it's good.

Special additive in today's Shell Heating Oil helps give more warmth per gallon, top heating performance

There's a new additive in today's Shell Heating Oil. Called FOA-5X, this Shell product works round the clock to protect your fuel system-from storage tank to burner head. FOA-5X helps reduce build up of heat-robbing deposits that can collect in critical areas of your burner. It lets Shell Heating Oil burn in a radiant, even flame. It helps reduce service calls and expense. The result: more warmth per gallon of fuel-top performance at minimum cost. Before you buy your next gallon of heating oil, call us. We will give you complete details about Shell Heating Oil with FOA-5X and about our service.

MUSEUM CROWD ENJOYS PAINTINGS

Members of the Museum Crowd of the Mattapoisett Woman Club, Fine Arts Department enjoyed a very fine morning last week at the home of Mrs. Franklin C. Simpson when 50 of the world's most beautiful paintings were viewed and lives of the artists explored by Mrs. Albert D. Furnans and Miss Dorothy Fox. Mrs. David C. Moore assisted the hostess. Not least among the pleasures were glimpses of paintings in the Simpson home from the brush of Jean Simpson herself.

Miss Lydia Walker, general chairman of the Fine Arts group, discussed prospects of a May meeting to be held at her home with pot luck luncheon. Miss Clara Beetle will be program chairman of the day. Details will follow.

EDITORIAL

HONOR AND DISHONOR IN THE SAME NAME

The revulsion felt by the killing of Dr. Martin Luther King at the hands of an assassin can be matched by the revulsion felt as the Capitol and other major cities are sacked in the aftermath of this outrage.

Never, in memory, has a civilian been so officially mourned and honored by this nation. Only the death of a President has ever before occasioned such a display. At the same time that this unusual honor is been accorded, snipers are killing people in the streets, burners are devastating areas of major cities and looters are carrying home the spoils. Until such time as the politicians find the courage to denounce this lawlessness and to take the steps to prevent this insurrection this country is in terrible danger. Unless the law will be upheld, unless the streets are safe to walk on, unless property can be protected, the rights of every American will be destroyed.
